

Infinity Cheer & Tumbling
2021-2022
Standard Cheer Team Packet

Dear Parent and Athlete,

First, welcome to Infinity Cheer & Tumbling's All-Star Cheerleading Program. We are delighted that you have chosen to be a part of our cheer family. Outside of training amazing athletes, we pride ourselves on developing great adults as well. Our goal each day is to teach our athletes values of commitment, hard work, integrity, leadership, self-confidence, positive attitude and a love for the sport! Each and every family is important to our program. We invite you to come and see what it is like to be a part of the "Infinity Nation". This packet of information is designed to help you understand the commitments and requirements both parents and athletes make when they decide to become a part of our ICT family. Please read it thoroughly and do not hesitate to contact us if you have any questions.

Age Guidelines

Teams are placed first by age and then by skill level. We will sometimes combine 2 age groups to make one team.

Tiny 5-6

Mini 7-8

Senior 15-18

All-Star Cheerleading Overview

All-star cheerleading is a competitive team sport incorporating skills from gymnastics, dance, stunting and Cheer. All-star cheerleading teams do not cheer for other sports teams; they are the team!

Competition routines are typically 2 minutes in length. They are packed with stunts, dances, jumps and tumbling. Each element is perfectly choreographed to music. The routines are judged based on EXECUTION, difficulty, creativity, and showmanship. Each team only has one opportunity to get it perfect. Athletes will be placed on teams based upon their age first, then ability and attitude.

Team Placement

All tryout athletes will demonstrate their skill in jumps, tumbling, dance and stunting. Team placement will be based on age and overall abilities across all skill sets. In some cases, an athlete may not have the required minimum tumbling skills to make a certain level team, but possess other skills that would be beneficial to a certain team. Team rosters will be compromised of members whose talents provide the best chances for success at competition. Do what you know you can do well. The rule at our gym is: TECHNIQUE IS KING! All returning member accounts must be current to tryout. We have 2 days of team placement clinics available. You must attend one team placement clinic, but you are welcome to attend both. If you are unable to attend, please call or see the front desk to schedule a private placement.

Standard Program Information

ICT offers a program for cheerleaders who wish compete on the all star stage in local competitions only. This program is designed for both new and experienced athletes. Athletes will enjoy lighter time and financial commitments than our excel teams. These teams will compete locally (Example: Nashville, TN, Evansville, IN).

Infinity “Team” Policy

Members of ICT agree to put their team ahead of the individual athlete. Our motto is Program > Team > Individual. If it is in the best interest of the program, an athlete or coach may be moved from one team to another team in age or level appropriate divisions. Please be mindful of the fact that routine positions are always fluid and never absolutely “set in stone”. Athletes will naturally progress over time, some more rapidly than others. ICT recognizes and rewards hard work and dedication. Therefore, it is not safe to assume that because your athlete is doing a certain role in the routine during summer months and even at the time of choreography that he or she will be doing the same thing at the end of the season.

ICT Staff, Athletes, and Parents

USASF Certified Gym

The mission of the United States All Star Federation (USASF) is "to support and enrich the lives of our All Star athletes and members. We provide consistent rules, strive for a safe environment for our athletes, drive competitive excellence, and promote a positive image for the sport." Each athlete within the ICT program will be required to become a member of the USASF. More information can be found at www.usasf.net

Role of the Staff

- The staff at ICT is highly trained, motivated and invested in the success of all of our athletes. You can expect the following from the ICT Staff:
- Coach for the love of the sport and athlete
- Show integrity and lead by example
- Demonstrate a positive coaching style
- Remain safe and realistic with athlete progression, while also challenging the athlete to reach his or her highest potential.
- Strive to provide a fun, safe, and overall positive experience for your athlete, while focusing on the importance of healthy competition.

Role of the Athlete

We expect the following from all athletes in the gym, at competitions, as well as in the community and on social media:

- Cheer for fun!
- Be gracious when you win and when you don't.
- Show good sportsmanship and class at all times.
- Athletes are expected to be respectful to staff, parents, and teammates, both in the gym and at competitions. Inappropriate behavior can result in expulsion from practice or immediate dismissal without refund.
- Put the team first.
- Be accountable for your own actions.
- Refrain from using any social media networking, messaging services or electronic media to distribute negative or inappropriate information that could be detrimental to yourself, your family, and the ICT reputation in any way. These are grounds for immediate dismissal from the program.

Role of the ICT Parent

Parents are expected to do the following:

- Do everything possible to make the athletic experience positive for your child and others.
- View the routine with TEAM goals in mind.
- Be an encourager. Encourage athletes to keep their perspective in both victory and defeat.
- Be your child's cheerleader and biggest fan!
- Encourage your athlete to always treat fellow parents, teammates, coaches and ICT staff with respect.
- Not express their opinions during practice or coach their athlete from the sideline
- Refrain from using any social media networking, messaging services or electronic media to distribute negative or inappropriate information that could be detrimental to any child, parent, and the ICT reputation in any way. These are grounds for immediate dismissal from the program.
- Parents should not listen, participate or instigate idle, worthless gossip. It is a detriment to team unity and chemistry.
- Parents must understand that competitions are a time for the athlete to focus and should be fully committed to the team and ICT through the time of the event.
- Parents should drop off on time and pick up on time. If a parent is more than 15 minutes late, ICT may charge a \$25 late fee to the card on file.

Athlete's Commitment

Practice

In addition to regular practices, all cheerleaders will attend a level appropriate tumbling class each week. Athletes are expected to attend their chosen level tumbling class as if it were a regular team practice. You get to choose the day and time of this class. This is a mandatory practice. You may add an additional tumbling class for \$35/month.

Championships are won at practice, not competitions. We expect ALL team members to be at every practice. Because this is a team sport where each member is crucial, when one person misses, the entire team can't practice.

Teams will practice together for 2 hours per week. The team must use practice time productively if we are to meet our goals for each competition. If there is a need for extra practices during the year, we will inform you as soon as it becomes necessary. These are generally during the competition season. Practices are **CLOSED** to spectators. Spectators are allowed to be in the lobby/viewing area the first and the last 10 minutes of practice to prepare for pick up.

Choreography Camps

All cheerleaders are required to participate in our choreography camp where we learn our routine for the season. Our choreography camps will be held the end of July or beginning of August.

Vacations:

Attendance at practice is critical to your athlete's progress and integral to the success of the team. Athletes should be at practice during the summer season. However, summer practices are designed to accommodate family vacations, mission trips and various camps. We recommend any vacations or trips to happen before choreography camp which is typically held at the end of July or beginning of August. We will release the choreography schedule as soon as possible after team announcements.

Competition Season Practice

Standard- 2-hour team practice+ tumbling class

Until Choreography, athletes may wear whatever they wish to practice. Athletes must wear the designated team practice uniform all year as soon as practice gear arrives. If an athlete does not have on the correct practice uniform, he or she is required to purchase the correct practice gear. Any extra practice gear will be charged to the card on file.

Attendance/Absences

Attendance is crucial to the success of the team. All missed practices must be documented in writing. We do understand that there may be conflicts, however, we ask you to let the coaches know by emailing the front desk at info@clarksville-tumbling.com. If your child is missing practice on the day of, please call the front desk at 931-572-0089. After 5 Absences during a competition season, disciplinary action will be taken. This may be but is not limited to: extra conditioning, athlete taken out of choreography, sitting out a competition or being placed on a different team. Any foreseen absence must be turned into the front desk in writing at least 2 weeks before the absence will take place.

Practices are mandatory the week prior to a competition. No absence is excused. If an athlete misses a practice during this time, they may forfeit their opportunity to compete and no refunds will be given. No exceptions.

Missing a competition will result in immediate dismissal from the program. Attendance is MANDATORY for all practices, competitions, and any other Infinity Cheer & Tumbling related events. We do not have make-ups for any missed practices. There will be no pro-rated monthly tuition or fees because of vacations, absences or dismissal.

Time for Time (Tardiness)

Every time an athlete is late for practice, they will be expected to condition after practice for the amount of time they missed. If your child is 10 minutes late to practice, he or she will have to stay after practice 10 minutes to condition. This is called TIME 4 TIME.

Quitting/Re-Choreography Fee

Our program requires a commitment from the athletes, parent, families and coaches. To help ensure this level of dedication, we have implemented a fee charged to any athlete who quits his or her team after they join the team. The amount is \$500 and will immediately be applied to your account and will be drafted from your card on file upon quitting. If your auto-pay declines these fees, you will be turned over to our attorney for collections. You will also be responsible for paying ICT's attorney fees for this process. This does not apply to anyone who moves more than 50 miles away. In addition to this fee, you will be responsible for the next 3 monthly all star installments.
